MESSAGE

I am happy to learn that 'Neeti Foundation' is organizing a Policy Roundtable on "Leveraging Technology for Efficiency and Economy in Elections and Electoral Processes" scheduled to be held on Tuesday, 14th April, 2015 at India International Centre, New Delhi.

The concept of the meeting is commendable as I am also a firm believer in use of technology in the electoral arena. I am sure the use of technology will not only give a coveted fillip to the electoral process in India, but will be of great help to exhibit transparency and fairness.

The initiative taken by Dr. Suraj Kumar, Chair Mentor, Neeti Foundation and the organising team is very commendable and I would like to extend my support and best wishes to them for their success in their endeavour.

My best wishes to you all,

(H.S. Brahma)
